

Members' Exhibition

Rules & Information

All Columbus Artists' Guild Members who are in good standing are invited to enter two pieces of artwork in the exhibition. This is an excellent opportunity to exhibit your current artwork to friends, family, patrons, and the Columbus community. **Artwork must be something you have created in the last two years.**

Neither the Columbus Public Library nor the Columbus Artists' Guild may be held liable for any damage to your artwork while on display in the exhibit. Each artist is responsible for insuring their own work.

Artists must submit original work only. No copies, likenesses of another work, other artist's work incorporated into your work, or work exceeding dimensional limitations referenced below will be considered for recognition. **(You can opt to still exhibit it, but no award will be considered.)**

Only professional presentation of artwork will be accepted. All 2-Dimensional work must be neatly framed in a mode appropriate for the medium. For example, drawings, pastels, watercolors, etc., should be matted and framed behind glass or other appropriate material.

Gallery wrapped canvasses will be accepted as long as there are no visible staples. **All hanging work must have wire hanging devices. No saw tooth hangers will be accepted.** Maximum framed size for 2-Dimensional work is 54" in either direction.

3-Dimensional work must be stabilized when on display. (You will need to provide your own pedestal/stand for 3-Dimensional work.) **All artwork must remain on display for the duration of the exhibit.**
